NO SCHOOL FOR AISD

Monday, Jan 18th
Friday, Feb 12th
Monday, Feb 15th

We want to thank you for all of the nice gifts at Christmas!!! We have enjoyed every one of them!☺ We hope your Christmas was Merry and Bright...and the 2010 New Year was brought in with new hopes and big dreams for all our families at KCLC!

Enrollment File Update: Being it's a new year it is also the time we update the children's files. We understand this takes time out of your busy schedules however, it is very necessary that our records are current. We are handing out 3 forms for you to complete and return as soon as possible. The forms: 1) Admission Form 2) Child & Parent Contact Form 3) "Tell Us About Your Child" Form. Every line must be filled in and signatures are required in specified areas.

Immunizations: To ensure our records are complete we must have the most current copy of your child's immunization record in their file. Not having complete records will result in a deficiency during our next inspection.

Year End Statements: The year end statements will be given to you on or before January 15th. Please let the office know if you do not receive yours.

Boxes Due 2/1/10: Each child will need to bring in a shoe box or something similar in size. The children will decorate their box at school and use them as a mailbox for valentine's cards the day of our party.

February Supply Fee: Just a reminder...the February supply fee of \$55.00 (per child) is due February 15, 2010.

Special Events: *Valentines Day Party Thursday, February 11th at 3:00 pm.* Children will exchange valentine's cards. Class rosters will be sent home by your child's teacher on Monday, February 1st. Please sign up in the office to bring goodies for the party!

Fry's Fun Farm will be coming to KCLC again this year on Wednesday, **February 24th 3:00-6:00 pm.** Cost is \$6.00 per child. All children will participate with the exception of the Caterpillar class. This event was a huge success last year and the children loved it! Parents are welcome to join in on the fun...bring your camera!

January Classrooms: We have said good bye to a few and welcomed a number of new children to Kids Campus. Children have moved up to the next class as well. Please be sure to get to know their new teacher(s). If you have any concerns, or comments, make them known! Our teachers want to know your thoughts.

We are so excited to have a number of teachers enrolled in the **Teacher Trac Program at ACC**. In this program they will take classes and participate in team building activities to get their Child Development Associate. There are three levels to this credential (CDA I, CDA II, CDA III) and it takes approximately 18 months to earn all three.

Congratulations to Holly for completing her CDA I with an "A"!! Only two more to go!
