Fry's Fun Farm was a huge success again this year! The children absolutely enjoyed this event!! We will be updating the pictures on our Digital Picture Frame in the office very soon.

Daylight Savings Time reminder... move your clocks ahead one hour when going to bed Saturday, March 13th. **Spring is finally here!**

Spring Break is approaching rather quickly, March 15th - 19th! We will have a few spots for siblings, so please look for the sign-up sheet at the office.

St. Patrick's Day is Wednesday, March 17th. To celebrate we will be serving **green** treats and **green** punch for afternoon snack. Please dress your child in **GREEN, GREEN, GREEN!**

Easter Egg Hunt and Party on Thursday, April 1st. Each child must bring 12 plastic eggs filled with goodies. Look for the sign up sheet in the front office to bring treats for your child's class.

Good Friday is April 2nd this year; reminder **KCLC IS CLOSED**. **Easter Sunday** is Sunday, April 4th.

Hearing and Vision Screening if your child will be 4 by September 2010. Please be sure to make an appointment to have their vision and hearing screening done. We must have proof of this screening to put in their files by May 1st.

Summer Fun for Elementary Age Children Due to our increased enrollment of 3, 4, and 5 year olds, we will not be able to have our traditional Summer Fun Program for elementary age children (Wild Things). We will enroll a smaller number of children, and they will have fun things to do each day including art, computer time, music, swimming, games and a few field trips. However, children will need to be 8 years or under to participate.

Gym*Magic A special request from Ms. Margaret. Please have your children here extra early on Tuesday mornings for Gym*Magic to avoid disruption in their class. Also Gym*Magic tuition is \$15.00 per month and is due on the 1st.

Spring Portraits (Kids First Photos by Servando) are scheduled for April 20th & 21st. We wanted to give you a heads up they will not be Easter pictures this year.

Supply Fee We have a supply fee twice a year in order to assist in the costs that tuition just does not cover. Here is a list of a few of the things that your supply fee goes towards:

Daily Supplies: Tissues, wipes, paper towels, spoons, lunches, a.m. and p.m. snacks

Classroom Supplies: Paint, crayons, scissors, paper, craft items, etc.

Classroom Items: Cars, trains, airplanes, dolls, dishes, games, blocks, books

Outside Items: Games, toys, balls, riding toys, push carts, wagons, shovels and buckets

Large items for all the classes: We're putting in a garden, we are in need of another canopy for the area between the pool and the building, and the sandboxes will be refilled.
